1. In this exercise, which arguments were used to position content on the screen?

1 / 1 point

```
1 horizontalAlignment = Alignment.CenterHorizontally
```

and

```
1 verticalArrangement = Arrangement.Center
```

```
1 verticalArrangement = Arrangement.Center
```

```
1 horizontalAlignment = Alignment.CenterHorizontally
```

Correct

Correct! Both arguments were used to arrange and align composables in the Column.

2. In this exercise, what was the name of the Composable used to add Little Lemon logo?

1 / 1 point

Drawable

ImageView

Painter

Image

Correct

Correct! The composable used to display images is called Image. The painterResource was used to set the image source for the little lemon logo drawable.

3. In this exercise, what annotation is required to create Composable Preview?

1 / 1 point

Preview annotation only

Composable annotation only

Composable and Preview annotations

Correct

Correct! Both annotations are required. The Composable annotation is used to define composable and the Preview annotation is used to create preview of the Composable.
